About The Speaker:

Fr. Clement J. Machado has ministered internationally in parishes throughout five continents and in his native city of Montreal, Canada. He has ministered to the gravely sick and dying in an intensely fruitful hospital ministry for three years in Ottawa, Canada (1996 -1999). His dynamically orthodox preaching and extremely insightful teaching has been broadcast on EWTN AND WEWN - Mother Angelica's television and radio networks. Purgatory, Padre Pio and Christian Morality are three extensive series that have already been broadcast. Popular evangelization in systematically treating Catholic doctrine, dogma, healing and deliverance, morality and spirituality has made him a popular speaker at conferences, parish missions, days of recollection, retreats, seminars and bible studies, broadcasting with Vatican Radio. Fr. Machado is Vice-Rector of seminarians of S.O.L.T. in Rome, Italy.
